organize and officially invite bachelor students to apply to the

STUDENT SUMMER SCHOOL IN SUSTAINABILITY

July 08-12, 2024
Hamburg, Germany

Student Summer School in Sustainability will be hosted by Kühne Logistics University in Hamburg, and targets bachelor students who are interested to pursue their academic career with a master's degree in the SuMo or MBR program at the University of Dar es Salaam, Tanzania.

The Summer School takes place from July 08-12, 2024, in Hamburg Germany. The main objective for the DAAD Summer School is to equip students with valuable knowledge and tools from different disciplinary angles, while always staying focused on sustainability as the overarching business theme.

THEME OF THE SUMMER SCHOOL

Sustainability
