

MASTERS SCHOLARSHIP (Re-advertised)

The University of Dar es Salaam (UDSM) is offering two (2) Masters research scholarships in academic year 2024/2025. The scholarships are part of the 'Advancement and adaptation of agricultural biologicals to meet sub-Saharan Africa smallholder farmers' needs and build sustainable food systems (AgBio4SSA)' project funded by COSTECH

Scholarship Overview

- Research Scholarship (fund the field work, lab work, other research costs)
- Two Awards (1 Award in Social Science and 1 Award in Natural Science)
- Postgraduate Studies: expected to complete the masters studies in 2 years
- Join a team of researchers from Tanzania, Kenya, South Africa, and Sweden

Eligibility Criteria

- A citizen of Tanzania, aged 35 or below
- Admitted and REGISTERED in the Masters Program in the areas of Agriculture, Business, Agribusiness or related program at UDSM
- Completed the course work or/and in proposal development stage

Application Process

For social science, submit your application to the Head, Department of Finance, UDBS through: finance.udbs@udsm.ac.tz

For natural science, submit your application to the Head, Department of Crop Sciences and Beekeeping Technology, COAF, through: coaf@udsm.ac.tz

Attachments: Application Letter, CV, Bachelor Degree Transcript and Certificate, Other Certificates, Admission Letter, and a Concept note (3 pages, focus for social science: 'knowledge, attitude and practices with respect to agrobiologicals and its value chains'; for natural science: 'Efficacy and best practices of biologicals in management of crop pests')

Apply now

Application Deadline: Wednesday, 31st March 2025

Women and UDSM Staff are highly encouraged
