

APPOINTMENT OF HEADS OF QAU DEPARTMENTS

The University of Dar es Salaam is pleased to inform the University community and the public that the Vice Chancellor, Prof. William A. L. Anangisye, has appointed Heads of Quality Assurance Departments, effective 1st November 2025, for the triennium 2024/2025 – 2026/2027. The appointments are as follows:

Prof. Samwel Mchele Limbu

Head of the Department of Quality Assurance in Research, Publication and Innovation

Limbu is an Associate Professor in the Department of Aquaculture Technology, School of Aquatic Sciences and Fisheries Technology (SoAF). Before this appointment, he served as the Head of the Department of Aquaculture Technology in the same School.

His teaching, research, and consultancy engagements focus on aquaculture nutrition, production systems, water quality management, and environmental health. He also serves in editorial leadership roles, including Chief Editor of the Journal of Applied Aquaculture (Taylor & Francis) and Review Editor for several international journals such as Frontiers in Aquaculture Production Biology, Frontiers in Tropical Diseases – Antimicrobial Resistance, and Frontiers in Animal Science and Production Product Quality.

Under his stewardship, the Department is expected to strengthen the University's research quality assurance systems, enhance publication standards, and promote excellence in innovation across academic units.

Dr. Masoud Lubasa Makoye

Head of the Department of Quality Assurance in Support Services

Makoye is a Lecturer in the Department of Structural and Construction Engineering, College of Engineering and Technology (CoET). He is a registered Quantity Surveyor with the Architects and Quantity Surveyors Registration Board (AQRB) of Tanzania.

His teaching, research, and consultancy engagements focus on construction economics and project performance evaluation. He also serves as Head of the Quantity Surveying Unit at the University of Dar es Salaam Bureau for Industrial Cooperation (BICO), where he provides professional consultancy in construction cost management and project delivery performance.

Under his stewardship, the Department is expected to enhance quality assurance mechanisms and drive performance improvement across all support and administrative functions.

Dr. Blackson K. Kanukisya

Head of the Department of Quality Assurance in Teaching and Learning

Kanukisya is a Senior Lecturer in the Department of Education Foundations and Lifelong Learning, School of Education (SoED). He has held this position since June 2023 and has previously served as Associate Dean, Coordinator of Postgraduate Studies, and Examination Officer within the School of Education.

His teaching, research, and consultancy engagements focus on globalisation and adult education, comparative and international adult education, civic engagement, and human rights education.

Under his stewardship, the Department is expected to strengthen teaching and learning quality, promote pedagogical innovation, and foster a culture of continuous academic improvement throughout the University.

The University congratulates the appointees on their appointments and wishes them success in fulfilling their duties. Their collective expertise, academic leadership, and dedication are expected to enhance the University's quality assurance framework, uphold institutional excellence, and further advance the University's vision of becoming a leading centre of learning, scholarship, and innovation.
