

NOTICE TO SUCCESSFUL APPLICANTS

FOR THE UDSM-BARRICK SCHOLARSHIP

Following the scholarship interviews conducted on 21st February 2026 at Silver Sands Hotel, the University of Dar es Salaam (UDSM), through the School of Mines and Geosciences (SoMG), in collaboration with Barrick Gold Corporation Tanzania, is pleased to announce that a number of diploma, undergraduate, and postgraduate students have been awarded scholarships under the UDSM-Barrick Scholarship Program.

All successful applicants are required to report to the School of Mines and Geosciences at UDSM to collect their scholarship contracts starting from 16th March 2026. UDSM-MRI students will collect their contracts at the Director's Office in Dodoma.

This scholarship reflects Barrick's significant investment in Tanzania's mining sector and commitment to supporting the next generation of Tanzanians. We warmly congratulate all recipients and encourage you to complete the contract process promptly to secure your award.

In this process, a total of 139 applicants participated in the scholarship interviews across different academic levels. These included 11 applicants for PhD programmes, 32 for MSc programmes, 72 for undergraduate programmes, and 24 for diploma programmes.
