

9th International Conference in Mechanical and Industrial Engineering (MIE'2026)

22 & 23
October,
2026

Institute of Marine
Sciences (IMS),
Zanzibar.

CALL FOR ABSTRACTS

MAIN THEME:

Engineering Innovations for Sustainable
Industrial Transformation Towards
Tanzania Development Vision 2050

SUB-THEMES

- Manufacturing, Mechatronics, Industrial Engineering and Engineering Management
- Blue Economy Engineering and Offshore Technologies
- Circular economy and Sustainable Process Engineering
- Energy Technology, Sustainable Energy Systems and Industrial Decarbonization
- Materials and Material Technology, Structural Integrity and Sustainable Infrastructure Systems
- Industrial Revolution, Digital Transformation, Open Science and Cross-Cutting Innovations

IMPORTANT DATES

Abstract Submission Deadline - June 30, 2026
Abstract Acceptance Notification -
Progressive Reviewed Final Submission - July
31, 2026.

Selected papers will be published as
special issue of Tanzania Journal of
Engineering and Technology (TJET).
PDUs will be awarded

SUBMISSION

Send your abstract (up to 250 words) in MS Word format
via e-mail to: mieconference@udsm.ac.tz and copy to :
udmieconference@gmail.com
Submission link: <https://mieconference.udsm.ac.tz>

REGISTRATION FEES

A: Physical participants		
Participant Type	Participant Category	Amount
Presentation and Audience	Local Participants	TZS. 500,000/-
	Local Student participants	TZS. 250,000/-
	Regional Participants (EA, SADC)	USD 250
	International Participants	USD 300
Exhibition	International and Regional Students	USD 150
	SMEs	TZS 1,000,000/-
	Large Industries, NGOs	TZS 2,000,000/-
	MDAs, R&D, and HLI	TZS 750,000/-
B: Virtual Participants		
Presentation and Audience	Local Participants	TZS 100,000/-
	International and Regional	USD 100

For payment inquiries, please feel free to
reach out to our Conference Secretary:
