UNIVERSITY OF DAR ES SALAAM

BARRICK

POSTGRADUATE SCHOLARSHIP

The University of Dar es Salaam, in collaboration with Barrick Gold Corporation, is pleased to announce scholarship opportunities for postgraduate studies in mining and related programs at the University of Dar es Salaam for the 2026/2027 academic year.

Application Requirements

Applicants must meet the program-specific admission requirements as outlined in the UDSM Postgraduate Prospectus 2025/2026. In addition, candidates must fulfill the following conditions:

✅ Be a citizen of Tanzania.

✅ Have secured admission to a relevant Master's program or applied for a PhD at the University of Dar es Salaam.

✅ Be not older than 35 years for Master's applicants or 40 years for PhD applicants at the time of application.

✅ Hold an undergraduate degree with a minimum GPA of 3.5 on a 5-point scale.

✅ The applicant's final research project must be directly aligned with the mining sector, addressing relevant challenges, innovations, or opportunities. The project should be conducted within the mining industry context, ensuring practical applicability and contribution to sectoral development.

Please note: This scholarship cannot be held concurrently with any other financial award intended to support the same beneficiary.
