

TRAINING COURSES ON PROJECT MANAGEMENT AND PROJECT ASSESSMENT

The Economic Society of Tanzania (<https://wachumi.com>) is offering the training course for capacity strengthening of Tanzanian workforce on project management and Project assessment. Through this capacity building initiative, the EST aims at offering short-term training courses for its members on Project management and project assessment to a cohort of 25 participants. The training courses are particularly relevant to any individual working in the field of monitoring and evaluation in Tanzania. Other potential candidates include researchers, members of the faculty, undergraduate and graduate students regardless of their background on impact evaluation methodologies. The training course is structured as follows:-

| S/# | Time period (dates) | Description of short courses |
|-----|------------------------------|---|
| 1 | 5 th October 2022 | <u>PROJECT MANAGEMENT</u> The short course shall cover the following topics:- Project planning, project designing, project development and project implementation. |

| | | |
|---|------------------------------|---|
| 2 | 6 th October 2022 | <p><u>PROJECT ASSESSMENT</u></p> <p>This short course shall cover the following topics:- Project Monitoring and evaluation and project analysis.</p> |
|---|------------------------------|---|

The Economic Society of Tanzania (EST) is hereby pleased to invite interested candidates to apply to the above-mentioned capacity building initiative. The training is free for registered members only. However, all applicants shall be required to meet their own transport/living expenses while attending the course in ESRF Conference Hall, Dar es Salaam. At the end of the training, participants will be awarded a certificate of attendance.

To apply for the training courses, potential applicants should send applications through <https://forms.gle/1wv47XtM2nN7TEci7>
