

Announcement: MSc Scholarship Call for Applications

The Norwegian University of Life Sciences and the Universities of Dar es Salaam (UDSM), Lilongwe University of Aquaculture and Natural Resources (LUANAR), University of Eduardo Mondlane (UEM), Mbeya University of Science and Technology (MUST), Egerton University (EU), University of Zambia (UNZA), Makerere University (MU) and University of Nairobi (UoN) are implementing a project titled “**Enhanced Capacity for Aquatic Resources in East and South Africa (ECARESA)**”. This is a 6- year project that is being implemented with financial support from the Royal Kingdom of Norway under NORAD’s NORHED II Program. Research activities under this project are focusing on aquaculture, aquatic health, ecotoxicology, diseases and Anti-Microbial Resistance (AMR). The project has therefore budgeted funds to support MSc level studies in Aquatic Animal Health and Ecosystem Management by course work and dissertation at LUANAR. After successful completion of the course work the research for the dissertation will be conducted in Tanzania.

MSc Study at LUANAR

One (1) MSc student from Tanzania will be registered for study at LUANAR in a specially developed MSc. in **Aquatic Animal Health and Ecosystem Management**. The entry qualifications are a minimum of a Bachelor of Science Degree in Aquaculture, Fisheries Science, Animal/Veterinary Science or other relevant biological sciences, with at least a Credit pass. The scholarship covers tuition fees, basic living and research expenses. Female applicants are strongly encouraged to apply.

Applications

The Applicants should send their dossiers containing certified birth and academic certificates, transcripts and a concept note electronically to the Director, Institute of Marine Sciences (director.ims@udsm.ac.tz) with a copy to Dr. Aviti John Mmochi (avitimmochi@gmail.com)

Closing date: The deadline for receiving applications is 8th June 2023, Only shortlisted applicants will be invited for interviews.
